

DELTA CHI ARZONA CHARTERING BANQUET

Over these past three years, we have embarked on a remarkable journey, spurred by our core values Promoting Friendship, Advancing Justice, of The effort and perseverance shown by each member of our chapter has been nothing short of inspirational, driving us forward even in the face of challenges.

Tonight, as we celebrate our chapter's official chartering we would like to extend our deepest gratitude to the parents and alumni whose support has been our anchor. Your belief in our mission and your continuous encouragement have been invaluable to our success as a chapter.

# OUR JOURNEY

In 2022, we, the brothers of Delta Chi at the University of Arizona, embarked on a journey of rebirth and resurgence. Our collective efforts, supported by our dedicated alumni and national headquarters, led to the welcoming of our founding father class on March 19, 2022. This moment marked not just the initiation of new members but the dawn of a new era for us.

Since that pivotal day, we have experienced a whirlwind of growth, achievements, and unforgettable moments. The fall of 2022 saw us initiate our second class, the Alpha Class, marking a significant step in our chapter's growth. November of that same year was a time of many firsts for us: our first Sweetheart's Week and formal, events that have since become cornerstones of our fraternity's culture. It was also when we saw our first chapter-elected executive board take office, a group of leaders committed to guiding us towards our aspirations.

The spring of 2023 was another milestone period, with the initiation of the Beta Class and our inaugural philanthropy week. These events not only brought us closer as brothers but also underscored our commitment to community service and engagement. Our growth continued into the fall of 2023, as we moved into a new property and initiated the Gamma Class. We participated in Delta Chi's service week, held our second Darling Week, and celebrated our official chartering in spring 2024, each achievement a testament to our determination and brotherhood.

Throughout this journey, we faced the inherent challenges of establishing a new chapter in a university with a rich Greek life tradition. We navigated these challenges with resilience, always striving to improve and build upon our past experiences. The biggest challenge was integrating ourselves into a well-established Greek culture while maintaining our unique identity and values. Yet, we took these growing pains in stride, learning and evolving with each new experience.

Our future goals are ambitious, rooted in the strong foundation set by our headquarters, alumni, and the founding father class. We aim to build on this legacy, fostering a community of excellence. Our commitment to making a positive impact on the University of Arizona community and upholding the values of Delta Chi remains unwavering.
