March Edition

Arizona Delta Chi

Chapter Update:

March was a quiet month on the business end, but a month of relaxation and much needed rest for the undergraduates, the brothers enjoyed spring break together and with family. Enjoy the attached photos from the undergraduates!

1701 Fundraising:

The undergraduates need your support with our move back to 1701. We ask you remember what Sen. Holsclaw did for this chapter. The house will be bare bones when we move in, we want to make this the house to be in. Look out for emails and newsletters with news regarding 1701! We are less than two months from being home! Please spread the word, and donate if possible.
